## FROM THE PASTOR

Dear St. Nicholas and Guardian Angels Parishioners,

Today we begin our combined bulletin for both parishes. This is a work in progress so I ask everyone from both parishes to be patient as we get into the groove of doing this. You will still be able to find information for each parish in the one bulletin.

As I'm sure you all have heard, Jodee Korkowski, our long time administrator at St. Nicholas, left her position December 31. I thank Jodee for her many years of dedicated and amazing service to St. Nicholas. She has been a great blessing to the parish in her time as administrator. Go forward, in the interim, Jean Rief and Lynn Arnal from Guardian Angels will be providing administrative, receptionist, and other duties for both parishes. Roxie Diaz, the GA school receptionist, who speaks both English and Spanish, will provide some receptionist duties at St. Nicholas. Office hours at both parishes have changed. Please see the section in this bulletin with the new office hours for both parishes.

There will also be some other changes such as better integrating the phone systems between the two parishes so that calls from one parish can be easily transferred and forwarded to the other parish. Both parishes will have their same phone numbers.

Another change is that the Archdiocesan Parish Accounting Services (PASC) will now provide the bookkeeping and accounting services for St. Nicholas (they already do this for Guardian Angels). I am sure that there will be other changes as well, but for now we will take things one step at a time.

I want to stress that while both parishes will be more closely collaborating with such things as staffing, programming, ministries, and administration, **we are not in the process of merging the parishes.** Each parish will remain separate from one another with their own unique identity. Each parish will have their own trustees, legal structure, councils, finances, etc.

I ask for your patience, and prayers, and good will as we go through this time of transition. I believe that there are both challenges and opportunities with these changes. With the Holy Spirit leading us, and each of us doing our part, I am confident that God will continue to make great things happen at both Guardian Angels and St. Nicholas.

## Our Lady of Nube Celebration!

One sign of our joint collaboration was the "Our Lady of Nube" Mass, procession, and celebration last Sunday. This traditional Ecuadorian celebration of the Blessed Mother began at St. Nicholas a few years ago. This year we moved it to Guardian Angels so that we would not have to set up tents in the winter. It was a wonderful day with people filling the church for Mass and hundreds more in St. Francis Hall. The fiesta in the Gym featured traditional Ecuadorian food, dancing, and dress. I thank all those from both parishes who worked so hard to make it a great day in honor of the Blessed Virgin Mary.

## Fr. Deziel R & R

This past week, I was blessed to be able to head "up north" to spend some time with four other priests at a cabin near Hackensack. We had daily mass, prayed together, cross country skied, played cards, cooked (and ate), and enjoyed one another's company. It was a welcome respite and I am most grateful to my brother priests for the opportunity. I hope that you too have enjoyed some relaxing time with family and friends this Christmas Season. May God Bless You All! Happy New Year, Fr. Deziel

#### Jesus is baptized

The story of Jesus' baptism in Sunday's Gospel shows the mystery of the Blessed Trinity. After John baptizes Jesus in the Jordan, God announces to the crowd that Jesus is his beloved Son, and the Holy Spirit in the form of a dove settled on him. Baptism makes all adopted children of God and gives them all the gift of that Holy Spirit. Living the Gospel helps those who follow Jesus be a witness to the world that the Good News is for everyone.

**Pray Together:** Before the evening meal or at some other time when you are all together, renew your baptismal promises to believe what the Church teaches and to follow in the footsteps of Christ. Pray together the Apostles' Creed.

### Acerca del Evangelio

**13 de enero de 2019 Lucas 3,15-16.21-22**

#### Bautismo de Jesús

El relato del Bautismo de Jesús del Evangelio del domingo muestra el misterio de la Santísima Trinidad. Después de que Juan bautizara a Jesús en el río Jordán, Dios anuncia a la multitud que Jesús es su Hijo amado y el Espíritu Santo se posa sobre Él en forma de paloma. El Bautismo nos hace a todos hijos adoptivos de Dios y nos ofrece el don de ese Espíritu Santo. Vivir el Evangelio ayuda a aquellos que siguen a Jesús a ser testigos para el mundo de que la Buena Nueva es para todos.

**Recen juntos:** Antes de la cena o en algún otro momento cuando estén reunidos, renueven sus promesas bautismales de creer lo que la Iglesia enseña y de seguir los pasos de Cristo. Recen juntos el Credo de los Apóstoles.

**Haiti Mission Trip**

Our MN Mission Team of Free The Kids Inc. will be making its 10th annual trip to Pwoje Espwa, a children's refuge in Haiti on April 29 - May 6, 2019. Each of us will deliver 100 pounds of supplies to the 300 children there, and needy families in the area. Haiti is the poorest country in the Western Hemisphere. There's no welfare system to care for widows, orphans, or the disabled. The country has still not recovered from Hurricane Matthew, that struck the island 2 years ago. Because the government is corrupt, instead of shipping what's needed, we deliver it personally. This year, we need more volunteers to help us bring the supplies to these desperate people. We would love to have you join us on this life-changing trip! If you can't come, your donation will help us feed, clothe, and educate these children, and possibly build a safe home for a family now living in a shack. Please pray for our team, and those we serve in Haiti, that God will bless our mission. Thank you so much! For more information on how you can help, please contact Sue Valiton 612-749-9532.

## Greetings from Guardian Angels Catholic School!

This month we would like to honor the dedicated teachers at GA. The staff here at Guardian Angels have been putting many hours above and beyond to strengthen the quality of education.

One of our most dedicated teachers is Mrs. Hennen. She is the first teacher many of our students have. Each morning Mrs. Hennen greets her students with a warm smile and hug. Her students love her because she gets down at their level as she guides them to explore and learn about our faith and world. Over the past year, Mrs. Hennen has been working hard on our NAEYC accreditation (National Association for the Education of Young Children). She put in countless hours above and beyond school hours and even during summer vacation. That's how important it is to her that we are recognized as a school of excellence. Our NAEYC site visit will be within a few weeks. Mrs. Hennen has us all ready. We are so thankful she is a part of our GA team.

Our primary teachers set the foundation and tone of our education. We are so blessed to have the experience and the expertise of Mrs. Scott as our K/1 teacher. She brings a wealth of knowledge to her classroom, is a strong mentor and is a great leader. She still challenges herself to learn how to meet the needs of her students through learning new technology and teaching strategies. One of Mrs. Scott's many gifts that she brings to the classroom is art. It is amazing to see how she uses art to teach and reinforce the lessons she is teaching her students. Mrs. Scott works hard to individualize her lessons to meet not only the educational needs of her students, but their social and emotional needs, too. We learn so much about how to interact with others in Kindergarten and 1st Grade. Mrs. Scott is definitely the right person for that job. Her students love being in her class.

The newest primary teacher is Mrs. Steeber, our 2nd/3rd grade teacher. Mrs. Steeber may be new to GA, but she is definitely not new to teaching. Her classroom is very active and engaging. Mrs. Steeber brings many new ideas and expertise to our team. One of her students' favorite stations to work at in her room is the Makerspace station. She has created several STEM boxes with different activities to enhance science, technology, engineering and math skills. Her students are able to access these STEM boxes daily to extend their learning. She starts and ends each day with a class meeting to learn about each other, discuss what to expect each day and evaluate how the day went. This creates a safe and welcoming learning environment for our diverse learners. We are so glad that God brought Mrs. Steeber to GA.

The staff at GA is deeply committed to their students and preparing them for their future. We would like to invite you to share your memories of any current or past GA teacher that made an impact on you or your child. You may stop by, call (952-227-4010), or email ([slovegreen@gachaska.org](mailto:slovegreen@gachaska.org)).

Thank you for your prayers and support!

## Our Lady of the Cloud Fiesta

Last Sunday, the parishioners and guests from St. Nicholas parish celebrated the feast day of Our Lady of the Cloud at Guardian Angels. This is a traditional Ecuadorian festival celebrating Mary, the Mother of God, and there was traditional food and dancers to celebrate the day. Held on Epiphany, there were three kings to watch over the fun. Father Galarza, who is from Ecuador, led the procession, Mass, and singing of the Ecuadorian national anthem and other traditional songs. Lots of fun was had by all. Proceeds (after expenses) benefit an Ecuadorian orphanage and the St. Nicholas Prayer Garden.
