

Faith Formation

Dear Faith Formation families,
It's great to have the kids back to in person faith formation and we hope to continue it the rest of the year! We are truly blessed to have such wonderful children and families! Thank you all for jumping into at home faith formation when we needed to make that move. Of course if you have questions or concerns please reach out to me!

God Bless you all!

6/7th grade

This month we have review how Jesus found his followers which became his disciples. We learned about each disciples where they came from and what job they left to become a follower for Jesus. Now the class has begun to work on the sacrament of initiation, which are Baptism, First Communion, and Confirmation. We had a special treat when Fr. Tollefson came to say Hi to our class, after he completed A First Reconciliation for our 2nd grade students. Fr. Tollefson was pleased with what the children knew and how engaged they were!

4/5th grade

We had our game night from winning the food drive back in early November! The kids had a great time. They last two lessons we have begun to move into understanding God's rules for his followers! The Ten Commandments. This will continue into the next few chapters and we dig into them more deeply and why God created these for his followers.

2nd/3rd grade

For the month of January, our 2nd and 3rd graders have focused on the Sacrament of Reconciliation and what it means to be sorry, to confess, and to be absolved. Of course, our favorite part is penance and the wonderful feeling afterward. Congratulations to Marin on making her 1st confession with Fr. Tollefson this month.

1st Grade

It has been so great to see the children back in class again! The past few weeks we have talked about the importance of prayer. Last week we created a small book that helps us remember the "Our Father" prayer. We will continue to focus on prayer in the next couple of weeks.
