

Faith Formation

Our 1st grade class had an excellent first day! We learned that Jesus is our Friend and loves everyone. We also learned how we give ourselves the Sign of the Cross to show we are friends of Jesus. We look forward to teaching such a great group of kids!

Our 2nd and 3rd grade classroom might be the smallest in size, but we know we have important work to do as we prepare two of our students for receiving the sacraments of Reconciliation and Holy Communion. Our 3rd grade students have stepped up and are helping teach their younger classmates and are being very good role models. We are currently reviewing gifts from God and how we are all disciples of Jesus and must be good stewards of all these gifts.

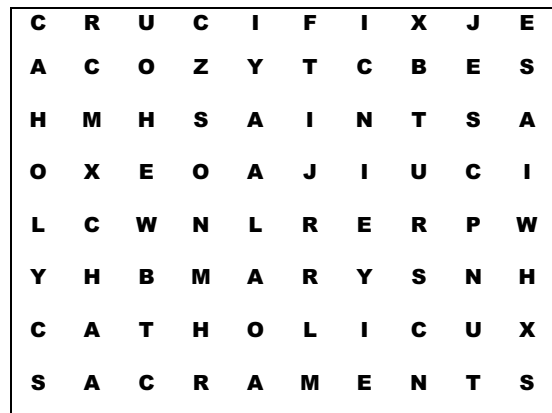

Our 4th and 5th grade classroom is the largest in our program! In the first weeks class we learned about Gods gifts and how they are found everywhere we look, our favorite places, homes, and of course in church. We are looking forward to a great year!

Food Drive!

We are organizing a food drive to put smiles on the faces and food in the tummies of families in need! November 4th - November 11th Each Faith formation class will be collecting non-parashable items for the local food shelf.

Our 6th and 7th grade had a great first class. They talked about each person what position they were in the family, like oldest, middle, youngest, or only child. We reviewed characteristics of them and they were in agreement. This helped them to understand how they can help families. The kids enjoyed this activity. We look forward to more fun projects like this. We will also be helping the younger kids get to their family cars on Wednesday nights!
