Dear St. Nicholas Parishioners,

My prayer is that you and your loved ones are healthy and safe! Additionally, my prayer is that this Advent is one that draws you closer to Jesus as we contemplate on His first coming and prepare for His second coming.

I want to give you an update on the progress we have made completing the opportunity that the Archbishop has given to us and other activities within the parish.

### **Providing a recommendation**

We created a survey tool to gather input from as many people as practical. This included sending a letter and paper survey to every 'registered and active' household. We also posted the letter and survey on both the St. Nicholas web page and Facebook page. And to invite neighbors to participate we placed six yard signs with the QR code for the survey.

We received over 160 responses that have formed the basis of the input to the Archbishop. This wealth of information has been reviewed and interpreted by a team of approximately 20 parishioners who volunteered to assist in this work. This team is a true gift to the parish as they have met multiple times and spent additional time in prayer and discernment providing very valuable insight, context, and input in the process of developing the recommendation. The body of the recommendation presents the desires, in essence the "what" or "wants" of the parishioners. We include some recommendations on possible implementations but certainly leave the "how" to the decision of the Archbishop. All of the information collected will be included with the recommendation. We are looking at different methods to be able to share the final recommendation with you, particularly considering the COVID-19 protocols. Stay tuned!

### **Other Activities at St. Nicholas**

Mass has been celebrated in St. Nicholas Church on Thanksgiving Day, Sunday December 6 (2<sup>nd</sup> Sunday of Advent & Feast of St. Nicholas) and will be celebrated on Christmas Day. It truly is joyous to celebrate as a community within St. Nicholas church. If you are interested in reserving a seat for Christmas Day at 10:30am, please contact me via email or phone (contact information with my signature). Due to COVID, reservations are required.

The Sacrament of Reconciliation by individual confessions, was offered on Saturday, Dec. 5. Thanks to Fr. Rolf Tollefson, our Parochial Administrator, for offering the sacrifice of the Mass and the sacrament of reconciliation.

### Invitation

As we continue to work on the recommendation and await the decision of the Archbishop, St. Nicholas continues to operate, albeit at a limited level. Please continue to pray that the Holy Spirit will guide us all to discern God's will for St. Nicholas.
